

REMARKSRequest to Amend in Accordance with 37 CFR 1.312

This Rule 312 Amendment is being made to correct grammatical and usage errors in the specification. In particular, in the "Cross Reference to Related Applications" section of the specification, the language has been amended to clarify that such identified application is incorporated "in its entirety." No new matter has been added to the application by this Amendment. Entry of this Rule 312 Amendment without withdrawing this application from allowance is respectfully requested.

Please charge deposit account No. 12-1185 in the name of Leviton Manufacturing Co., Inc. for any charges connected with this amendment and also if there are any other charges in connection with this case. A duplicate copy of this letter is enclosed.

Should the Examiner have any questions, the Examiner is encouraged to telephone the undersigned.

Respectfully submitted,

Paul J. Sutton
